Dear Alumni,

Diamond Jubilee Concert

Our school is 60 years old!

Take 60 as the denominator and the number of years you have been a St. Markan the numerator. You will get a fraction. It may be a big fraction, or a small one. Never mind, for whatever your fraction, it is an *ENORMOUS* one.

The enormity of YOUR fraction is of tremendous importance to the School; your presence at the Diamond Jubilee Concert will give the event a vital significance.

The Concert, featuring performances by different generations of St. Markans, will be held at 7:00 p.m. on Thursday, 1st October, 2009 at the Jockey Club Auditorium of the Hong Kong Polytechnic University.

All alumni will receive a complimentary ticket upon request. Donations will be greatly appreciated. Extra tickets will be distributed depending on availability. Please refer to the Ticket Reservation Form attached.

Let’s celebrate together! Let the Winged Lion roar! Let’s be grateful for the excitement, joys and privileges of being 60!!!

Yours sincerely,

Brenda Mau
